Summer Technology Workshops

Dover Adult Learning Center of Strafford County

Join us this summer to sharpen your computer skills! Register for only the topic(s) that interest you, or register for them all! Workshops will be small-group, interactive, and hands-on. Participants will be led through project-based learning activities with plenty of opportunities to ask questions and seek support along the way.

Schedule

10 AM - 12 PM on Wednesdays from Jul 9 - Aug 6
Dover Adult Learning Center Computer Lab
McConnell Center Room 301
61 Locust St, Dover NH 03820
